THE RIVERSIDE WHEELMEN'S ANNUAL RACES.

CHARLES MURPHY TALKS OF RETIRING—A TRIANGULAR CLUB CONTEST SUGGESTED IN BROOKLYN—MR. HANNA TO MCKINLEY LEAGUE.

The annual club road races of the Riverside Wheelmen will be held on Election Day at the Guttenberg race-track at 2 p.m. The races, which will be held under sanction of the L. A. W. Racing Board, will consist of a mile novice for the captain's medal, a mile open, five-mile club championships for the Board of Directors' medal, two-mile tandem handicap and mile open only to non-racing members. The entries will close at the clubhouse, No. 23 West One-hundred-and-fourth-st., to-day. The track can be reached by taking the trolley from West Forty-second-st., and thence by wheel or electric-cars.

Daniel Canary, the trick rider, who has been giving exhibitions in Europe, arrived on the steamship Teutonic yesterday. Canary says that while abroad he defeated the foreign champion, "Nick" Kaufman, who challenged him for a trick. Canary thinks that there is a good field abroad for American wheelmen. He says that he will be seen to see any unfairness shown to American riders there, as has been reported.

Charles Murphy, the well-known professional rider of Brooklyn, remarked yesterday that he had about made up his mind to abandon the racing path. Murphy is said to be worth \$10,000. He may enter the bicycle business, but his friends laugh at his talk of retiring, and say that he will be seen to go back in the line and would have to start late that they had concluded to abandon the

Captain Needham, of the Kings County Wheelmen, says that his club has done nothing yet regarding the challenge for a ten-mile road race from the South Brooklyn Wheelmen. So far as he is concerned, Captain Needham would prefer to have a triangular race, which would include the Patchogue Wheelmen, which team recently won the Eagle Cup. The South Brooklyn men will add some new riders to their road team, and they are confident that they can defeat the Kings County Wheelmen team.

The members of the New-York Cycle Board of Trade once contemplated taking part in the McKinley and Hobart parades to-morrow night, and arrangements had been made to turn out a large crowd, but it was determined yesterday to abandon the idea. President Bridgeman said when yesterday afternoon, that the wheelmen would not go back in the line and would have to start late that they had concluded to abandon the

Marcus A. Hanna, the chairman of the Republican Committee, has written to P. H. O'Connell, president of the McKinley and Hobart Wheelmen's League, which will parade to-night. Hanna says to the wheelmen of the State of New-York that the Rep. National Committee heartily approves the spirit of enthusiasm and the effort characterizing their participation in the present campaign.

Cyclists desiring to join the League of American Wheelmen may obtain full printed information and membership blanks by sending names and addresses to the Cycling Editor, Tribune.
